Hi,

I did not see NOI Training for Western Mass listed on EPA MA MS4 web page (even though I think I was able to "refresh" the page) so I want to confirm time with you. We seem to have a lot of interest!

Time we had discussed below is: Wednesday, June 21, 1 to 3 p.m.

Please confirm.

Thank you,

Patty

Okay, I will get notice out to our regulated communities. Did you have thought on whether to invite Berkshire communities?

We could do Wednesday the 21st, but would have to be afternoon...say 1 to 3 to use our conference room. Does that work?

Sorry to mess this up but I just realized that is our NOI webinar day. Sorry! I should have excluded that one from the list. Any others work?

Okay, I've reserved our large conference room for Thursday, June 22, 10 a.m. to noon.

Sound good? Please confirm and I will start to send out notice.

Shall we also invite regulated communities in Berkshire Regional Planning Commission region as well? Or are you planning to get out there on another date?

Best wishes,

Patty

Hi Fred and Newt,

We will be voting to finalize the attached meeting notes at our meeting this coming Monday. I want to make sure that we captured NOI discussion (item #4) correctly as this will be used by our communities in starting the work of preparing the NOI.

Please let me know of any revisions I should make asap.

Thank you,

Patty

Hi Fred,

Can you please look over meeting notes where you were speaking and make sure we got this right? We are not going to finalize until you and Newt have chance to chime in.

I will send to Newt after you've had chance to provide feedback.

Thanks,

Patty Gambarini
